Dear Colonel Baird:

To implement the program of instruction developed by the United States Army Intelligence School for the Senior Foreign Officer Intelligence Course, and to assure complete and current coverage of the subject material, it is requested that your office provide qualified speakers who occupy responsible positions within your organization to present lectures covering the subjects and scopes as indicated in the inclosures to this letter.

Your cooperation in providing guest speakers and in making your research facilities available to the U. S. Army Intelligence School will materially assist in the preparation and presentation of a valid and effective training program.

The initial course of instruction will be conducted at the U. S. Army Intelligence School during the period 11 September thru 17 November 1961, inclusive.

Upon receipt of an affirmative reply from your office, coordination of necessary administrative details involved can be effected through the presently existing liaison channels.

Sincerely yours,

25X1A
